Shannon graduates from Baylor with BS in Fashion Design

Shannon's final semester at Baylor included a competitive Senior fashion show for which she designed, constructed and had modeled a series of outfits. In March, Shannon and Bobby ran in the Bearathon in Waco (approximately a half-marathon). The two ran together the entire 13 miles and finished in about two hours. Later in the summer, after graduation, Shannon joined her parents in Atlanta to help them prepare to move back to the Dallas area (see related story on this page). After coming back to the Dallas area, Shannon began working at Neimen Marcus selling in the accessories department.

Shannon poses with proud Dad after receiving her diploma.

Shannon, Nathan, Kim and Bobby wish a Merry Christmas to you and your family!

Nathan graduates high school, starts Baylor

Nathan's proud parents were pleased with the many honors that he achieved in his final year in high school, including being class salutatorian, winning the "Star Student" award (given to one student in each high

school in Georgia), and receiving the "Spirit of Mike" award (Mount Pisgah's first scholarship).

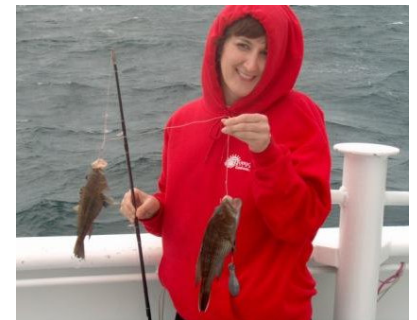

Nathan started Baylor in August with an undecided major. He plans on applying to Baylor's University Scholars program, which will allow him to design his own degree plan.

The Adams' are back in Lone Star State, again

After four years, the Adams' have moved back to Texas. Bobby took another position with Cingular Wireless, which allowed the family to move back "home" to Texas in September. Bobby is now directing Network Operations for the North Texas market area. Kim left her job at Mount Pisgah Christian School, and is now spending most of her time getting the household back in order after the move. Bobby and Kim miss their Georgia friends, but are happy to be back in Dallas and close to family.

Kim reels them in two at a time while deep sea fishing off the coast of Myrtle Beach, South Carolina during family vacation in June.
